- Work-life balance

Vote!

FC NOW | May 19 2005

What's new, now? Check out these recent entries from the *Fast Company* team's **blog!**

MBA No More

Earlier this spring, futurist and innovation thinker Jim Carroll penned the Masters of Business Imagination Manifesto. In it, he details what he considers the abilities that innovative leaders need: see things differently spur creativity in other people focus on opportunity,...

God Is in the Details

I just finished reading Business Week's cover story on Evangelical America. I was stunned: I'd understood the political power of these new-style churches, but I never really grasped the actual economic pull of these entities. I stopped cold at a...

Entrepreneurial Spotlight from Inc!

The Best Places for Doing Business in America 2005

Inc.com Inc. examined 274 population centers, looking for job creation and other signs that businesses are thriving. Here's what they found.

Jackpot!

Inc.com Before Steve Lipscomb launched the World Poker Tour, poker had a vaguely seedy rep. Now it's a national obsession, and the WPT is a public company with a market cap of $300 million. How Lipscomb built his empire -- without risking a cent.

Come to Daddy

Inc.com Some of the world's biggest companies are putting their venture capital hats back on and looking for new start-ups to fund.
